

Dear Parents/Carers,

I would like to wish you all a very happy new year. It is lovely to see the students back looking refreshed and ready for Term 3.

Year 11 Personal Coaching

In addition to tutoring, every year 11 student will have a personal coaching session this term. The session will focus on what the student needs to support them in the run up to the exams, what they need to do and how we can support them to succeed.

Year 11 Wednesday Revision Sessions

I will be supervising a revision room in C1 on Wednesdays from 2.30- 4pm. This will be a quiet space to complete coursework and revise.

Year 10 Mocks

Year 10 mock exams will take place next week, Monday 9th – Friday 13th January 2017. These will take place during lesson time.

Coats in the building

As we operate a business model we deem it important that all students comply to the dress code and look smart. We also do not wear coats in the building. Due to the heating issues we have experienced, which have now been resolved, wearing coats in the building has crept back in. Students are aware that coats now need to be in bags or left in the main store in the Lecture Theatre.

I would value your support with this.

Parents Eve

Year 11 Parents' Evening will take place on Tuesday, 24th January, 4.45pm – 6.15pm. Your child has been given an appointment sheet to make appointments with their teachers, please remind your child to make their appointments in good time.

There will also be an opportunity to meet a senior member of staff to look at the whole achievement picture for your child.

Year 10 Work Experience

Year 10 students have been given an individual pin number to log on to the following website to search for WEX opportunities

<http://lpw.learnaboutwork.org/index.asp>

The website is very easy to use, once the students have logged in they can view opportunities by sector and get an idea of what is available.

Newsletter

If they have any problems or questions, please ask them to see Lauren Redmond who is located in the office in reception on Tuesdays and Wednesdays 9.30am – 2.30pm.

Lauren can also support with finding a placement.

We need to know by **Tuesday, 10th January** where your child will be doing their work experience in order to get any Health and Safety checks carried out.

Year 10 Raising Aspirations

All year 10 students will be attending a Raising Aspirations event at the UWE Exhibition Centre on Tuesday 24th January. There is no cost to students for this event.

More information about the event will be issued to parents/carers today.

Best wishes,

A handwritten signature in black ink that reads 'Lis Jolley'. The signature is written in a cursive style.
