

Dress Code

Students at Digitech Studio School do not wear uniform, as we believe that this best suits the ethos and culture of the school.

Our dress code reflects our core purpose of preparing students for further education or employment with training in the creative digital and high tech sectors where the dress code is much more casual.

We reserve the right to challenge students on their dress and expect full cooperation from parents and carers if we deem that a student is not dressed appropriately for an educational environment.

Students who are inappropriately dressed will work in isolation until suitably dressed. The school reserves the right to make this decision.

Students on work experience need to adhere to the company's dress code.

Students who might traditionally receive a bursary for school uniform can still apply for this. Please contact Emma Robertson emma.robertson@digitechstudioschool.co.uk or on 07710 716533.
