It's been great to welcome everyone back to Term 2.

Year 11 students have made a positive start to their mock exams and Year 10 students continue to do great things in their lessons.

We have a new Extra Curricular timetable which is included in this newsletter. Please encourage your child to attend these sessions available to them.

Thank you for your continued support.

## EXAM INVIGILATORS REQUIRED

We are looking for Exam Invigilators to join our exams team here at Digitex. Exam Invigilators will assist the Exams Officer in the efficient delivery of internal and external exams. You will ensure that the conduct of internal and external examinations takes place in accordance with Joint Council for Qualifications (JCQ) regulations and Academy procedures. You will ensure the candidates exam experience is a positive and supportive one; enabling that each candidate has an equal opportunity to demonstrate their abilities.

This is a casual position so workload will vary depending on the exam season. The working hours for this role can also vary as exam environments have to be set up before the beginning of the school day and on occasions can sometimes continue after the school day has finished.

This position requires flexibility as there are various exams held throughout the academic year; these usually fall within November, January and February/March, and the summer exams are held in May and June. There are also mock exams for Years 10 and 11 at different times throughout the year. It will also suit someone looking to work

*Salary: £9.50 per hour plus holiday pay. Total hourly rate £10.83*

Please pass this onto family and friends who are looking for casual work.

For further information please go to [www.clf.uk/careers](http://www.clf.uk/careers) - select Vacancies/Educational Support/Exam Invigilator (Bristol and South Glos Cluster)
