EXAM INVIGILATORS REQUIRED

We are looking for Exam Invigilators to join our exams team here at Digitech. Exam Invigilators will assist the Exams Officer in the efficient delivery of internal and external exams. You will ensure that the conduct of internal and external examinations takes place in accordance with Joint Council for Qualifications (JCQ) regulations and Academy procedures. You will ensure the candidates exam experience is a positive and supportive one; enabling that each candidate has an equal opportunity to demonstrate their abilities.

This is a casual position so workload will vary depending on the exam season. The working hours for this role can also vary as exam environments have to be set up before the beginning of the school day and on occasions can sometimes continue after the school day has finished.

This position requires flexibility as there are various exams held throughout the academic year; these usually fall within November, January and February/March, and the summer exams are held in May and June. There are also mock exams for Years 10 and 11 at different times throughout the year. It will also suit someone looking to work

Salary: £10.10 per hour plus holiday pay. Total hourly rate £11.51

Please pass this onto family and friends who are looking for casual work.

Friday 18th Nov 2022, saw Digitech take on KingOak Academy at Football. The first half was a very close fought match with the score being 2-1 to KOA. KOA were the stronger team in the second half, with roll on roll off subs and Digi only having the bare 11. The final score was 2 to Digitech (Tyler Law (2)) and slightly more to KOA. If you would like to play in the next game please let a member of PE staff know, the more the merrier, as we suffer from cramp, injuries and lack of fitness.. WELL DONE to all

Charlie Slavin, Charlie Woodman, Callum Saint, Eddie Thorn, Curtis Woodman, Jordan Skidmore, Jayden Bryant, Tyler Spencer, Maddox Gaydon, Tyler Law, Jacob Griffiths-Sims, Alfie Taylor - Manager

DIGITECH ECO WEEK 28th Nov - 2nd Dec

SAVE THE DATE!

Year 10 & 12 Work Experience Week

Monday 10th – Friday 14th July 2023

We are delighted to announce the dates for our Year 10 Summer Work Experience placement week!

The placement week will take place from Monday 10th – Friday 14th July 2023

All students will be encouraged to attend a Work Experience placement, more information to follow in January 2023

In the meantime, we would like to encourage parents and carers to have a conversation with their student about Work Experience. Ask them to think about the type of placement they would like to attend, if you have any contacts who could offer a placement and support them to contact local employers. The most successful route to Work Experience is usually via family and friends so we would encourage families to speak to anyone they know who may be able to help.

Support will also be given in school during Tutor Time and in Digitech Plus lessons
