

Welcome Back!

Dear Parents / Carers,

Welcome to the new academic year at Digitech Studio School! We are excited to embark on another journey of learning, creativity, and growth for all our students following a successful summer of outcomes for the school.

We kicked off the term with a warm welcome to all students and in particular our new students in years 10 and 12 who have made brilliant start to life at Digitech.

Term 1 has been packed with activities, learning and achievements. Here is a look at what we have been up to:

Houses at Digitech – Following a piece of work, led by the student council last year; we are pleased to announce that we have launched our new house system. Students followed a democratic process to vote for house names and will be affiliated to either ‘Banksy’, ‘Picasso’ or ‘Kusama’ house. Students will be able to represent their house and earn house points in a variety of house activities and competitions over the course of terms two to six.

WORK Experience

Last week in assembly we launched work experience for year 10. The dates for this academic year are **Tues 8th - Fri 11th July**. (Monday 7th optional for students as it is an inset day)

Students are required with the help of parents / carers to find their own placements. Preferably, placements will be found within the industries we represent here at Digitech (creative, digital and Technology) but if this is not students will be encouraged to find placements outside of these sectors, e.g. school / cafe/ garage / shop.

Please start enquiring NOW as many companies are willing to take students and opportunities will be filled early.

Once a placement is found please report to emma.dodd@clf.uk or jane.morgan@clf.uk so that the appropriate paperwork can be completed and the placement confirmed. Please note that students will not be allowed on placement without paperwork from parents / carers and employers.

Key dates:

Friday 4th April - all placements to be reported to Emma or Jane

Friday 23rd May - All paperwork completed and placements confirmed.

Update from the English Department –

This term, students in Year 11 have been studying the play *An Inspector Calls* for the first time, and we wish them good luck with their mock exams for Language Paper 1 and Literature Paper 2. Students in Year 10 have explored a range of creative writing workshops and five of the poems from AQA's *Power and Conflict* collection, which has allowed them to discuss some big issues like the school curriculum and the environment. We hope students have noticed staff displaying their current reading choices, and as ever, we encourage students to read widely outside of school! A recommended reading list will be shared in Term 2, with awards in place for students who engage well. Ash and Laura would like to thank students for their work this term, and Ash thanks everyone for making him feel welcome at Digitech.

Update from the Art's Department –

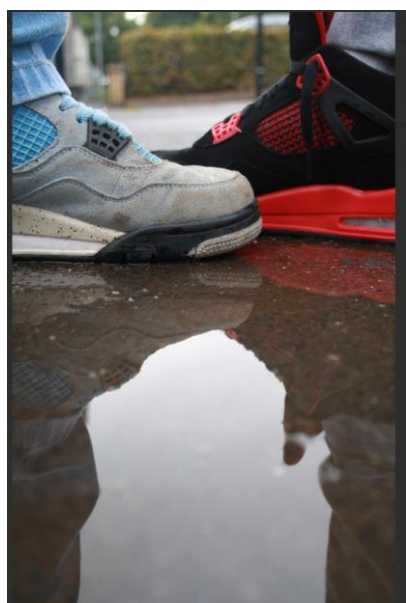

Sketchbooks from Year 10 art - amazing outcomes from recent lessons! Graphic design recent designs using multimedia collage and Photoshop edits.

Digitech NEWSLETTER

Update from the Art's Department –

Some fantastic photography work produced by our Y10's and Y11's

Enterprise Reminder –

We offer two after-school catch up sessions: Monday in CR5 with Lily and Tuesday in CR4 with Karl. These sessions provide essential support to students who are behind in their coursework, helping them get back on track. Additionally, they are a fantastic opportunity for students aiming to achieve a distinction grade. Students who have not submitted their first assignments will be invited to these sessions in Term 2. Letters will be sent home to inform parents if their child has missed a submission.

Esports –

The esports programme has had an electrifying start, sparking immense interest and excitement across all participating year groups, students from Y10 to Y13 have embraced the gaming club with enthusiasm, creating a vibrant competitive environment. Each day, the club is buzzing with activity as students hone their skills, strategize, and collaborate with their peers. The diverse range of games and inclusive atmosphere have made it a popular break and lunchtime hub, bridging friendships, and fostering a sense of community among the students. This initiative has not only bolstered school spirit but also highlighted the talent and passion for esports within the student body.

As Term 2 kicks off, we are thrilled to announce the formation of official Digitech Esports teams in Overwatch 2! This marks an incredible opportunity for students to dive deeper into the world of competitive gaming, highlighting their skills and teamwork on a larger stage. If your child is enthusiastic about esports and wants to be part of this exciting journey, please encourage them to email or speak with Karl to register interest. Let us make this session one for the history books!

As part of the Wildscreen ARK festival 10 P16 students had the opportunity to speak to people working in the natural history career field

At the time of printing, we are still awaiting confirmation regarding works to the road and bridge next to the school. Our latest update suggests that there may be changes to entry/exit points in early 2025 and not before, and we will update as soon as we can or if anything else changes.

Dear Parent/ Carer

Flu Vaccination Programme

We are offering your child (Reception to Year 11) a free flu vaccine at school this autumn.

Please complete the consent form as soon as possible:

<https://imms.sirona-cic.org.uk/flu/2024/consent?v=3>

Flu can be an unpleasant illness, and some people can get very unwell; some children even end up in hospital because of flu.

Why get the vaccine?

The flu vaccine helps protect your child and your family from getting flu, reduces the spread of the virus in winter, and keeps them in school learning.

How is the vaccine given?

The flu vaccine is usually given using a quick and easy nasal spray, this is the best flu vaccine for children. If your child cannot have the nasal spray due to the porcine gelatine content or for medical reasons, you can consent for your child to have an injection instead. If we cannot offer the injection at your child's school, you will be able to book a clinic appointment.

Are there any side effects?

Most children do not have any side effects after the vaccine; however, some might get a blocked or runny nose, lose their appetite, feel tired or get a headache, this will not last long.

Important deadlines:

- The consent system closes 2 working days before the vaccination session at school.
- If you complete your form after the deadline, we may not be able to see your child at the school session

No internet access?

If you can't access the internet, ask your child's school for a paper consent form, or call us for help on 0300 1245515.

What if I do not want my child to receive the vaccine?

Please complete the form to let us know

Date of Flu Vaccination - Friday 29th November 2024

What if my child misses the session?

Catch-up clinics will be available for children who miss the school session. Your child's school will send information about these clinics after the school session.

Exam Invigilators Required

Digitech Studio School are seeking to appoint Exam Invigilators to join our friendly team in the running of all public and internal examinations at the school throughout the academic year, with our main exam season in May and June. This is a casual contract and working hours will vary for each exam season.

The post would be ideally suited to applicants who are highly organised, enthusiastic, vigilant, reliable, and are passionate about helping young people. In addition, you should be able to remain calm under pressure and be flexible to be called in at short notice.

Duties include supervising pupils taking public and internal examinations, preparing exam rooms, distributing and collecting exam papers in accordance with the JCQ regulations. Full training will be provided.

If you, a family member, friend or neighbour would be interested in joining the team, please contact our Exams Officer Kerry Fisher on 0117 9927100 or email kerry.fisher@clf.uk in the first instance for an informal chat and application form.

South Gloucestershire youth board

The South Gloucestershire Youth board is a group where young people are able to voice their opinions and make changes to things that affect the communities they live in.

Members will create young people projects based on local issues. Members are involved in consultations and shaping young people services. This is an opportunity to have your say.

Members of the board are representative of all areas within South Gloucestershire and are aged between 13 – 18 years old.

We are now meeting fortnightly Tuesdays in South Gloucestershire Council, Badminton Road Office, Badminton Road, Yate, BS37 5AF 6.00-8.00pm.

Young people will take part in the following activities:

- Create projects based on the real issues for young people
- Research, consult peers, plan and deliver projects
- Learn to chair a meeting, minute take or present to professionals
- Complete recruitment training and recruit council staff
- Participate in Children's Commissioner Take Over Day
- Attend the annual British Youth Council (BYC) conference plus participation in BYC's Make your Mark campaign
- Opportunities to achieve a Shadow a Councillor Award
- Achieve a volunteering award
- Fun stuff – Meet new people, debate, games, pizza

We are always looking for new members so contact us if you would like more information.

You can contact us by email youthparticipation@southglos.gov.uk
