

Digitech Studio School: Provider Access Policy

Introduction

This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Pupil entitlement

All pupils in years 10 to 13 are entitled:

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;
- to understand how to make applications for the full range of academic and technical courses.
- For pupils in Year 10 and 11 there will be a minimum of two encounters
- For pupils in the year 12 to 13, particularly those that have not yet decided on their next steps, there are two more provider encounters available during this period, which are optional for pupils to attend.
- These provider encounters will be scheduled during the main school hours and the provider will be given a reasonable amount of time to, as a minimum:
 - share information about both the provider and the approved technical education qualification and apprenticeships that the provider offers
 - explain what career routes those options could lead to
 - provide insights into what it might be like to learn or train with that provider (including the opportunity to meet staff and pupils from the provider)
 - answer questions from pupils

Management of provider access requests

Procedure

A provider wishing to request access should contact Catrina Holmes, Careers Leader jane.morgan@clf.uk 0117 992 7100.

Opportunities for access

A number of events, integrated into the school careers programme, will offer providers an opportunity to come into school to speak to pupils or their parents or carers. For further information please see the [DSSB Careers Programme](#).

Please speak to Jane Morgan using the above contact information to identify the most suitable opportunity for you.

Premises and facilities

The school will make the lecture theatre, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity.

The school will also make available AV and other specialist equipment to support provider presentations.

This will all be discussed and agreed in advance of the visit with the Careers Leader or a member of their team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature with reception so that it can be distributed to students during tutor time.
